# MORE CURES EFFECTED BY DICCORDITIES SHAKER SYRUP OF SARSAPARILLA!

"The following is from Lardy E. Lastman, of Carrondy N. H., extensively known as an efficient Rollical Contractor and Builder, throughout the New England States. Boston, March S, 1849.

Reduced Conference and Builder, throughout the New Lingland Steller.

Binston, March S, 1819.

Messus, E. Breineley & Co.

Configure of Steller, Steller of Conference of the wooderful effects of Unberly Sarssparifla upon a little daughter of ours, who was prisoned, when at the lage of about three years, by reschiffered than twelve mouths, discharging the resist officially on the whole body for more than twelve mouths, discharging the resist of diagonal to whole their whole body for more than twelve mouths, discharging the resist of high our little sufferer to wear infitted while he had been the formation to along the chemical set of the hards and feet so as to precent her from training for thesh. But even with the executions, sine would, at times release by choining the quantities, sine would, at times release the tharist and growing for initions about the finger ends, and thou scratch as all knearts bereself severely until the Loyel would flow.

She is man study restored to health, basing once in a other treditions for the last two years days of Call-att's Sarssparilla. The effect of this powerful alternate is most signal, seeming to it are the whole system and cadicate all disease. The slain of our little girl is more farms that of including and his asset of perfect health, and this I know to be the result of the use of Carl-att's Sarssparilla maly.

Made and pot up by the Sacciety of Suders-same without the signature of Dr. Conbet.

E. WRIVLEY & CO., Sale Agonts, Roston, For sile by R. R. HAZARD, Agent for Newport.

DE, CHOKETT'S HIGHLY CONCESTATE
SYRUP OF SARSAPARHILLA.

The Formula of this invaluable Premaration has
been bid by face may of the different Medical Sielection in New Englant, and has received in retry take their especial convendation. It less
been nebrowledged as the most powerful antidate
yor known! Thomoghly releasing the Blood!
Evoluting Stroubous Taint and alionding the
next inching qualities to Discussed Longs! and
giving to the remanquitive Restountion to Health!
The celebrated Suggeon and Physician, Dr.
Valuatine Mort, President of the New York Aractemy of Medicine, long your his especial motice to
the accurate Preparation of Dr. Corbert's, and
permits in to refer to him as to its cirture.

This is testimony must umple! but in theston,
after distinguished Physicians bare also addredd
their approval of this signally effications medicine.
Such as the J. C. Warren, Dr. J. W. Warne,
Dr. Go. Lixyardy, Dr. John Jeffries, Dr. J. V.
C. Smith and others, mony of whom have given
their manes in writing in layer of the guarative powcres. SYRUP OF SARSAPARILLA.

WEDNESDAY MORNING, MAY 22, 1850. COURT OF COMMON PLEAS. This Court

cotamenced its May Term in this town yesterday morning. Judge Staples briefly charged the Grand Jury on the nature of their duties, calling their attention more particularly to such crimes and unsdemeanors as would probably be submitted for their consideration.

The Docket is quite large, and will peempy the attention of the Court through week.

The morning was accupied in corporately Eng the Juries, calling the Docket, and hearing incidental motions.

Patrick Bohanna ve John D. Northain ; this is an action of Trespass alleged to have been committed on a dock adjoining Hill's, residence on the Long Whorf, to the use of which he claims the right.

George Turner for Ploff, H. Y. Cramsthe & Son for Dft. Verdict for Pliff for o onty-five dellars and costs.

In the aftermon, the Grand Jury reti ned several ladiciments, among them ton against Brown and Edmenn's whi were arrested for entering houses, and stealing, last week. These men were arraignad and plead ant guilty; they will be tried this marning.

OSE DAY LATER. - The New York pa pers contain a one day later despatch of European news. The following is the only item worth copying :-

In the French Assembly on Thursday, a grant for the Expeditionary Force of Italy was voted by a majority of 462 to 198. It was remarkable that Lamartine voted with the opposition. It is believed that the commission charged with the exemination of the new Electoral Bill will be obliged to present it to the Assembly in the beginning of noxt week. It is now estimated that the new Electoral Law will disenfranchisa 3,500,000 voters. The "Landon Herald" correspondent says, " what the struggle may lead to, no one knows." The povernment journals defy the medito show itself. Hrgency will be demanded in the Assembly for the consideration of the Electotal Law. The committee on the bill introduced by the Minister of the Interior, relative to the appointment of Mayors, recommends the rejection of the bill.

The French Committee of Spinish bondholders have profested against the project par lished in the Madrid Chaette.

## CONGRESS.

WARRINGTON, Monday, May 20th SENATE. - The Vice President, Mr. Pillmore, has returned and assumed the Chair of the Senate this morning.

John Davis, from the Conference Committee on the Courns, reported va rious concessions and modifications on the part of each House, and the report was agreed to.

Mr. Atchison, from the Indian Committee, asked to be discharged from the further consideration of the Memorial "Geo. Copway in regard to a new Terstory for Colonizing the North Amergenn Indian tribes. Carried.

On motion of Mr. King, the Commit-500 on Foreign relations was discharged 6 an the further consideration of the tation asking for a national vessel to b carry the American Delegates to the the contingent expresses of the southers: Peace Convention at Prankfort-on-the Maine.

House,-Mr. Toge of Ala. asked; and fortyleave to present a Resolution of inquiry and fifty-eight dollars and forty-four cents. as to the nature and extent of the interference of the U.S. Government in regard to the Expedition against Cuba. Mr. Brown of Miss, objected.

The Report of the investigating Committee in regard to the conduct of DEPARTMENT OF THE INTERIOR. Robert E. Horner, the Door-keeper of the House.

The testimony is long and exculpates Mr. Horner from the charges in regard

to the dismissal of the Page. The Report contains no recommen-

dations in regard to the proper course to be adopted by the House.

Mr. Brown, of Massissippi, is now speaking and offering testimony to sustain the charges he has preferred against

Let Orders form Washington reach-, ed the Navy Yard, Charlestown, on Friday, to get the shops of war Albany, momentarily expected from Port au Prince, ready for sea with the quickest! despatch possible after her arrival.-Her destination is supposed to be the coast of Cuba.

WISTARYS BALSAM AT THE SOUTH.

One of our agents at Athers, Georgia, has read us the following letter, with permission to publish the same.

TRUTH IS MIGHTY AND WILL PREVAIL.

TRUTH IS MIGHTY AND WILL PREVAIL.

ATHERS, August 24, 1846.

Dear Sir:—Having Issue adhiered for norm limiten months with Chronic Inflammation of the Langs, at times very secrety, and having adopted many medicines without any bat temporary richef. I parchased about three Isothese of Wishar's Ralfant of WPI Olberty, from the effects of which old almost according to the form all the medicines. I had executive first that discussing disorder. These by the repeated one of this valuable Balsam, becomes five from pressure for breath and approach on the longs than U had articipated-sand, indeed, converte that I will be crucil by containing these, of this must dishearing medially. I do not cheerfully tender you this arknowledgement, which you will use as your judgment diseases.

Waynels rangh, Barka Uo, Georgia, Nome is genuine nodes signed I, BUTTS of the wrapper.

ANOTHER PHYSICIANS TESTIJIONY.

Mr. Fowle—Dear Sig. 1 pould send you a duzea certificates, storns and decisive, of the really sending electric of your entirelies the effects of your entirelies the really sending the part to the part to the particles. Indeed, 1 know of the particular made direction. Indeed, 1 know of the persons who have used it, companyingly, lat contend it in the strong returns. A control Advisor, the success I true saw, to which I was called a month ago, extinced the superiority of the Halves. This discare lasted six weeks, and the disspect and suffering when the realfulf; he saw up every nightering contends the metograp at the Market. The weak must had use to give him something to has been found that him home, (21 tables), so that lee might estimate the last him home, (21 tables), so that lee might estimate the last him home (21 tables), so that lee might estimate the last him home. (21 tables), so that lee might estimate the last difficulty of his wide and child, and the interest of strong spanilla, directing him to take test-spoonful distriction of the Halvam, and four times of strong spanilla, directing him to take test-spoonful distriction. On the surface of the Halvam of Phil Cherry home with him or a present, he having alleged that he had could match expensive medicine to no profit. Last well Mr. A. called and supersonal his gratitude to real the matter of manner, with the medicine last surface, had a match expensive medicine to no profit.

Washington, N. C., Aog, 12, 1847.

Nour is genuine unless signed 1, BUTTS, extherm and the profit is described to the profit.
